This application is for serious songwriters who would like to have their songs promoted to people and opportunities beyond their own contacts within the music industry.

With acceptance, THERE IS NO GUARANTEE that your song will be selected by a recording artist or music supervisor. This is not an exclusive contract.

If accepted, your songs will be placed in a catalog for recording artists and music supervisors to hear. If someone is interested in recording your song, by signing this contract, you are authorizing Dixiana Music to be your publisher and to negotiate the contract with the interested party. That contract may require exclusivity. When accepted for use, you can expect two payments:
a licensing payment and a royalty payment.

Application fee per song is \$10* (US): Paypal: admin@dixiana.com or send check

If accepted, there are no other fees, not even membership fees, for a period of three years at the end of which the continued representation of this song may be assessed by both the artist and the publisher.
